Despite the defensiveness of NFP promoters, the occasional critic does speak against NFP. And if one looks carefully at what the critics say, there is much to be considered. Michael Malones book exposes many logical fallacies in the arguments of NFP promoters, and asks critical questions which NFP promoters cannot and have not answered. The Case Concerning Catholic Contraception is the final major work which Michael Malone undertook before his death in 2000. He addresses the matter of contraception through the eyes of the perennial teaching of the Catholic Church, and tackles the thorniest issues that are involved. The book includes a Foreword by Dr. Jay Boyd, author of *Natural Family Planning: Trojan Horse in the Catholic Bedroom* (available on Amazon). Perhaps the most controversial of Michael Malones criticisms of NFP is his questioning of the validity of making a distinction between periodic continence (NFP) and artificial contraception. He goes so far as to claim that NFP is equivalent to artificial contraception, asking the hard questions: Can NFP genuinely be considered any less a species of scientific harlotry than pills or latex. In fact, is it not even more so, considering the excessive amount of time, study, research, and even person-to-person counseling which must be exercised in order to assure successful contraception. While there is some legitimate line-drawing between NFP and artificial contraception, it is not true that just because NFP is not the same as contraception, a couple using NFP cannot possibly have a contraceptive mentality. Currently, NFP is touted as a licit form of birth control (whether it is called birth control or birth regulation or fertility awareness), at the expense of the teaching on the...
