Farrar, Straus and Giroux (BYR), 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: " A Wrinkle in Time is one of my favorite books of all time. I've read it so often, I know it by heart. Meg Murry was my hero growing up. I wanted glasses and braces and my parents to stick me in an attic bedroom. And I so wanted to save Charles Wallace from IT."Meg Cabot "A book that every young person should read, a book that provides a road map for seeking knowledge and compassion even at the worst of times, a book to make the world a better place."Cory Doctorow "[L'Engle's] work is one of the things that made me a writer, a science fiction and fantasy fan, an avid reader. Hers were the first books I read that mixed math and magic, the quest and the quantum."Scott Westerfeld " A Wrinkle in Time taught me that you can tackle even the deepest and most slippery concepts of physics and philosophy in fiction for young readers. It's a great lesson for all writers, and a tough tesseract to follow."David Lubar.
