We are particularly impressed by the thoroughness of his literature review and his concise discussion of the concepts used in his study. His exploration of the various definitions of case management internationally and in Germany contribute to a clearer understanding of the difference between case management and clinical case management, an important distinction for clinical social workers. Prof. - Coburg and Prof. PhD - Western Michigan University - Kalamazoo, MI. USA , abstract: Abstract: Objectives: The purpose of this study was to explore the relationship between illness insight in schizophrenia and the level of social adaptation, social support needs, and subjective life satisfaction, for consumers of community mental health support services. Methods: Samples (N=43) were recruited from community base independent service agencies providing case...
