After he s born, his loving father proudly muses on his child s journey through life. Though he knows, he won t be there forever, he wants to make the most of the time they have. The boy grows up to be a fine young lad - engrossed in the mystical world of books and inspired by the surreal lands of fictional literature, he is caught between dreams and reality. He s often amazed at his daughter s energy and wonders how someone can run without purpose. The years to follow, see a man who has weathered the storms of life. He realizes that he is coming full...
