

## Apollos Bible

By -

Apollos Data Projects. No binding. Book Condition: New. The Apollos Bible is an interlinear verse by verse display of the Greek Bible and the New Revised Standard Version. It is perfect for Bible study or textual analysis. Also includes the five scholar's tools: My Collections gives you the ability to combine primary sources at will. Perhaps you want to compare some of the later New Testament writings, maybe the Pastoral Epistles and 2 Peter. Just create a My Collection and you can study them the same way you would study the Synoptic Gospels or some other standard collection. With My Notecards you can write a note card and store it in the virtual file cabinet for future reference. Your notes are automatically filed under as many as ten different categories according to your needs. Sorting and searching your note cards is a snap when the filing is done automatically. My Projects: You can use a research project to store multiple and diverse sets of data. If you have used other Bible software you have probably had occasions where there was no way to create a single query, to account for all the criteria in your search. Well, a research project is not a...

### Reviews

*Here is the very best book i have study until now. It is rally fascinating throgh looking at period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Dr. Blaze Runolfsson IV**

*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
