Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.RISE UP! 42 Additional Ways to Improve Black America is the follow up to Wake Up! 42 Ways to Improve Black America Now! RISE UP! is a continuation of the call-to-action for all people laid out in the first book. In both books, the emphasis is the idea that everyone, including African Americans, needs to learn how to improve their lives today. The only way to improve is for each of us to take personal responsibility for our own lives. More and more African Americans across the nation believe that we can change things; we can make a difference. RISE UP! focuses on a series of ideas that can be used to live the life that we all are seeking. To teach these principles, this book is broken into six categories: Learning Lessons, Building the Family, Managing Finances, Offering Service, Strengthening Communities, and Helping Society. This information is directed at African-Americans; however, regardless of race, gender, origin, or economic status, everyone can all learn and apply the principles in this book to become more successful. Best wishes and blessings on your journey through the following thoughts and ideas. I sincerely hope that this book will also inspire people to improve their lives NOW!.
