

Becoming a Great Sight-Reader -- or Not Learn from my Quest for Piano Sight-Reading Nirvana

By Al Macy

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 118 pages. Dimensions: 8.8in. x 6.0in. x 0.4in. On December 10, 2007, author Al Macy decided to become a great (or at least, good) piano sight-reader. Although he was already a gigging jazz pianist, his sight-reading was lousy. As he puts it It was really lousy. Most seven-year-olds with a year of lessons could read music better than I could. So, he vowed to learn everything he could about sight-reading, and sight-read at least two hours per day for one year! That year stretched out to six (thats right, six years of sight-reading), and in that time he learned what works, and what doesnt. He wrote this book to pass on his insights to other adults who want to improve their piano sight-reading. He kept a careful OCD-like record of his progress, with online recordings, so you can hear exactly how he sounded at three months, four months, two years, etc. In the book he relates both his Aha and his Well, that was a waste of time revelations so you can benefit from his experience. He answers your questions about how to become a better...

Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Aliyah Mayer

This book might be worth a study, and superior to other. It can be writter in easy words and phrases and never confusing. I am just happy to inform you that here is the greatest ebook i have got read within my personal daily life and may be he best pdf for actually.
