Brand New Book ***** Print on Demand *****.Excerpt from Pauline Charity: Discourses on the Thirteenth Chapter of Saint Paul s First Epistle to the Corinthians The discourses contained in this volume - the last probably that the author will ever publish - were preached to his parishioners on twenty consecutive Sunday evenings after Trinity. However they might have been improved by careful revision with a view to their better adaptation to private reading, for reasons which need not here be stated it has been deemed inexpedient to alter their structure or change their dress, and just as they were spoken from the pulpit they are now given to the printer. On a subject so often treated, any attempt at originality would savor of affectation; and the reader is faithfully forewarned that in these old-fashioned homilies he is to look for nothing new.
