Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).

(Ahmad Heaney)

CURSE OF THE TOMAHAWK

Paperback. Book Condition: New. Paperback. 366 pages. Curse of the Tomahawk is about the struggles of the first settlers in the area along the upper Susquehanna River. Coming from Connecticut they struggle not only with the Indians but also with other whites from Pennsylvania. Very pro-American, they are attacked in the famous Battle of Wyoming (Wyoming Valley Massacre), mid-way in the American Revolution, by Crown forces and their native American(Six Nations) allies. This story takes up their struggle barely a month after the great battle in which their entire valley is laid waist and the huddled and distraught survivors brave sixty miles of unbroken wilderness to safety along the Delaware and lower Pennsylvania. Undaunted and possessed of the great American spirit they return, facing terrific odds. But the rest of the nation, including the Pennamites(what the Yankees of Wyoming called the Pennsylvannians), rally to their cause, putting aside their differences to fight their greater enemies. Together they unite, facing numerous small attacks and harassment by the Crown forces and Six Nations. Knowing it to be just a matter of time before the Crown forces strike again enmasse, they launch a daring strike through their enemys back door through three hundred miles of enemy territory on an impossible and neglected Indian trail. Sweeping down with the impetus, they surprise their unprepared foes. But alas, their few numbers(a little over two hundred) are no match for their numerous enemy. After sacking Queen Esters Town and repatriating prisoners they make a mad dash from their enemys territory back to the fort at Wyoming, sixty miles away. Attacked by numbers equal to their own they win, marking the first real victory against the Six Nations in the war. Theirs is a great story giving understanding to just how the great American spirit which in...
