*Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Boydell & Brewer Inc, 2016. Hardcover. Book Condition: New. 15.24 x 22.86 cm. his book is a practical manual for anyone who stands on a podium helping an ensemble make music. The four main chapters address the major obligations of the conductor: (1) bringing the musical tones to life in the most beautiful, most moving way possible; (2) freeing the mind to fully absorb all the tones; (3) freeing the body of unnecessary tension; and (4) effectively using the freed mind and body to influence the sounds. Each chapter begins with a summary of the underlying principles, presents real-life applications, and offers exercises for developing skills. Video demonstrations of the exercises as well as downloadable scores and parts are available on a companion website. The parts, in multiple transpositions, allow for hands-on experience where standard instrumental complements are unavailable [Publisher description]. Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time. Book.
