HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Spells, Aprilynne Pike, A magical romance blossoms in the follow-up to WINGS, the bestselling novel described by Stephenie Meyer as "a remarkable debut". "I can't just storm in and proclaim my intentions. I can't 'steal' you away. I just have to wait, and hope that someday you'll ask," Tamani said. "And if I don't?" Laurel asked, her voice barely above a whisper. "Then I guess I'll be waiting forever." It's been almost a year since Laurel discovered that she is a faerie, placed with human parents as an infant to help protect the gateway to the faerie realm of Avalon. Although she's come to accept her true identity, Laurel refuses to turn her back on her human life-and especially her boyfriend, David-to return to the faerie world. But when she is summoned to Avalon to relearn her long-forgotten faerie magic, Laurel must depend on the charismatic faerie sentry Tamani. Her feelings for him are undeniable, and she is forced to make a choice-a choice that could break her heart. When a deadly enemy resurfaces and puts both Laurel's life and Avalon in danger, Laurel must draw on all her human strength as well as her faerie skills to save both of her worlds and all of those she holds dear.
