

Extra Math Practice, Grade 4 (Paperback)

By Sean McArdle

DK Publishing (Dorling Kindersley), United States, 2013.
 Paperback. Book Condition: New. Workbook. 277 x 211 mm.
 Language: English . Brand New Book. Building on what children learn in school, and a great supplement to DK's Math Made Easy Workbooks, these guides are filled with worksheets and problems, giving kids the opportunity to practice the mathematical concepts they're learning in school. While each workbook corresponds with the age range and skills of a Math Made Easy Workbook, they can also be used on their own, providing parents and teachers with hands-on learning tools for classrooms and homeschools. Perfect for aligning with the Common Core State Standards, the exercises in Extra Math Practice: Fourth Grade help children develop an understanding of multi-digit multiplication, addition and subtraction of fractions with common denominators, understand concepts of angles and measure angles, solve word problems, and more.
