TEACHING MEN TO BE FEMINIST

Quartet Books. Paperback. Book Condition: new. BRAND NEW, Teaching Men to be Feminist, Anne Dickson, Teaching Men to be Feminist is for any man who feels excluded by feminism; who finds himself believing there's some truth in the frequently heard rationalisation that a female rape victim was 'asking for it' even though he may not acknowledge this out loud. This book is for men who love their partners and daughters and don't want to see them hurt or unfairly disadvantaged but can't find a way to speak out. It is for anyone who believes feminism is just an outdated 'woman's thing' and above all it is a rallying cry for men and women who still believe in a feminism that can lead to genuine and lasting equality.
