Criminological Theory: Past to Present--Essential Readings, Fourth Edition, offers the most comprehensive overview of classic and contemporary theories of crime. Edited by leading scholars Francis T. Cullen and Robert Agnew, it presents a wide range of readings, including original theory pieces. Building on the success of the third edition, the thoroughly updated and revised fourth edition includes: * Eight new readings (each with its own introduction) * Two new Parts (each with its own introduction): Theories of White-Collar Crime and Putting Theory to Work: Guiding Crime Control Policy * A new Instructor's Manual on CD, featuring a Test Bank with multiple-choice and essay questions, learning objectives, key words, discussion topics and exercises, and PowerPoint lecture slides Comprehensive enough for graduate students yet accessible enough for undergraduate students, Criminological Theory: Past to Present--Essential Readings, Fourth Edition, remains a solid introduction to the foundations of criminology--and to the competing theories that will shape thinking about crime in the years ahead.
