

Competitive Environmental Strategy: A Guide To The Changing Business Landscape

By Hoffman, Andrew J.

Island Press, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Environmental concerns can greatly affect business success, regardless of whether a business person or corporation shares those concerns. Today's corporate managers must understand the power of environmental issues, and shift their mindset from one focused on environmental "management" to one focused on strategy. Competitive Environmental Strategy examines the effects of environmentalism on corporate management, explaining how and why environmental forces are driving change and how business managers can think about environmental issues in a strategic way. The author discusses: the evolving drivers of corporate environmental strategy, including regulators, shareholders, buyers and suppliers, insurers, investors, and consumers how environmentalism alters basic conceptions of competitive strategy and organizational design how external institutions create both opportunity and limitations for environmental strategy how environmental threats can be incorporated into risk management, capital acquisition, competitive position, and other management concerns The book ends with an overall discussion of competitive environmental strategy and draws connections to the emerging issue of sustainable development. Each chapter features insets that ask fundamental questions about the relationship between environmental protection and business strategy, and ends with a list of additional recommended readings. Every individual who...

Reviews

A must buy book if you need to adding benefit. It can be rally exciting throgh reading time. I am pleased to let you know that this is the greatest publication we have read through during my very own life and may be he best publication for possibly.
