Jacksonville: The Consolidation Story, from Civil Rights to the Jaguars

By James B. Crooks, Raymond Arsenault, Gary R. Mormino

University Press of Florida. Hardback. Book Condition: new. BRAND NEW, Jacksonville: The Consolidation Story, from Civil Rights to the Jaguars, James B. Crooks, Raymond Arsenault, Gary R. Mormino, In the 1950s and 60s Jacksonville faced daunting problems. Critics described city government as boss-ridden, expensive, and corrupt. African Americans challenged racial segregation, and public high schools were discredited. The St. Johns River and its tributaries were heavily polluted. Downtown development had succumbed to suburban sprawl. Consolidation, endorsed by an almost two-to-one majority in 1967, became the catalyst for change. The city's decision to consolidate with surrounding Duval County began the transformation of this conservative, Deep South, backwater city into a prosperous, mainstream metropolis. James B. Crooks introduces readers to preconsolidation Jacksonville and then focuses on three major issues that confronted the expanded city: racial relations, environmental pollution, and the revitalization of downtown. He shows the successes and setbacks of four mayors - Hans G. Tanzler, Jake Godbold, Tommy Hazouri, and Ed Austin - in responding to these issues. He also compares Jacksonville's experience with that of another Florida metropolis, Tampa, which in 1967 decided against consolidation with surrounding Hillsborough County.

This ebook will be worth acquiring. It is actually writter in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
